

Middle School report

2010 has proven to be a very successful and thriving one for the students of grade 6, 7, 8 and 9. They have managed not only to participate but also to excel in both education and sport.

The Lent Term began with the founder's day celebrations. It was celebrated, with a service of thanks giving at the Polwatta church with other religious groups commemorating the day in simple but inspirational activities. Various other events were carried out during the term such as Pongal day, Independence celebration, the inter house sports meet and Avrudu celebrations. They proved to be both invigorating and motivating as there was much enthusiasm shown in student's participation. Junior Art competition, Essay Writing, short story and poetry writing competition were also conducted during the term. The Sil campaign was a very refreshing experience to the students. The SCM Easter program ascertained a restorative spirit among the Christian community of the school.

The Trinity Term consisted of numerous extra- curricular activities: Junior SCM bible study program, extempore and oratorical Competitions, inter house debates, the Bible Quiz the Islamic day Competitions were carried out very enthusiastically with large student numbers participating. TAJAASA music festival and the st.Margrette's Sale were much anticipated programs of the calendar of the second term. Children were taken to the Wesley College Science Exhibition. The prize giving confirmed a day of grandeur showcasing scholarly achievements of the school.
