

Past Pupil's Association Report 2010

I'm indeed proud to say that the last 15 month tenure of the PPA has hosted a number of events that have been very well attended.

"A night at the Oscars" was a uniquely Themed Christmas get together which was held early in December last year. Our past pupils walked on the red carpet with elegance & style. The 6th Sisters of St .Margret Oration was next in our Agenda. This is held every 2 years in celebration of Founders day of our school. The Oration was delivered by Mrs. Goolbai Goonasekera who spoke on the subject "A teacher from 1833 to 2010".

We have set up a "Emergency Fund" for the benefit of our teachers who have dedicated 25 years or more to our school. We take this opportunity to congratulate our Principal Mrs. Bibile & Vice Principal Mrs. Cooray for taking steps to renovate the main hall yet preserving it's rich history. Furthermore I thank Mrs. Jeevunjee & Miss Hasna Mohideen for compiling the list of Prize Winners.

I also thank the branches of Australia & & UK for actively supporting the school & keeping a link with all those who are away from home. We had our AGM on the 6th of November 2010. The next event for the year is "Colours of Christmas" which has been scheduled to be held on the 7th of December at Water's edge.

I must say that our membership has grown significantly & urge all Bishopians to join the PPA upon leaving school. I take this opportunity to thank Mrs. Hemamali Bibile & Mrs. Cheryl Cooray for the support extended to the PPA at all times & encouraging us in all we do.
