

“Talent sets the floor, character sets the ceiling.” - Bill Belichick

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the laws, but also within the spirit of cricket. The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and especially in junior cricket; teachers, coaches and parents.

Cricket is an exciting sport that encourages leadership, friendship and teamwork which brings together people from different nationalities, cultures and religions especially when played with a positive atmosphere, self discipline, fair play and respect.

As Captain of the Bishop’s College Cricket Team, it is an honour to present the Annual Report for the year 2021. With the ongoing pandemic we were able to continue our training through online sessions. Once a week a fitness session is done through Microsoft

Teams to maintain their physical fitness and the members are advised to continue this training for at least three days. In addition to this, two bat drills are given every week to be practised. This is done to maintain and improve the batting skills of each team member.

My heartfelt gratitude goes out to our coach Mr. Manoj Millawithanachchi and to our teachers-in-charge Ms. Ranga Liyanage and Ms. Thilini Thilakshana for their constant support, encouragement and motivation given to us throughout the year. I would also like to extend my gratitude to my Vice Captain Ovini Chandrasekera for always being there and helping me out through this difficult time. Lastly, I would like to thank the members of the team for their efforts and dedication.
