

As Scrabble Captain of Bishop’s College, it is with great pleasure that I submit the Annual Scrabble Report for the year 2021.

Due to the constraints of the current pandemic, Scrabble sessions were held online through MS Teams, where all the team members took part in with much dedication and enthusiasm. In addition to online practices, the students also paired up and played weekly Scrabble games against each other on the Internet Scrabble Club (ISC) and completed weekly Scrabble worksheets handed out by our coach.

I would like to express my heartfelt gratitude to our coach, Mr. Suresh Chinnaiyah for his encouragement and who worked diligently towards

raising the standards of our team. A sincere thank you goes to our teacher-in-charge Ms. Tharanga Ranasinghe, for her constant dedication and for being there for us at all times.

Finally, I would like to say a big thank you to my Vice Captain, Jameela Thabreez, for her continuous support and to all the members of the Scrabble team for their commitment and perseverance during these trying times. I wish each all of them success for the years to come and hope the Scrabble team will reach greater heights in the future.
